

Year Warranty

Market trend

To reduce the usage of earth's resources, demand for a longer product lifecycle increases.

Expanding our warranty to 3 years

Company direction

Pursue and supply high quality standard products which can be safely used in long term.

Concerning the 3 year warranty

Products	Programmable Controllers, Human Machine Interface, FA Components and other FA automation control products.
Start	Starting from April 2009, simultaneously around the world. (Products produced from Oct. 1st, 2005 onward will also be warranted.)
Extent of warranty	Failure for which Panasonic Electric Works Co., Ltd is responsible during the warranty period, either a replacement product will be provided or the defective product will be repaired free of charge at the place of purchase. Below products are excluded from the 3 year warranty. <ul style="list-style-type: none"> • Consumable/maintenance parts such as batteries. • Discontinued products as of April 1st, 2009.

For details, please refer to our web site. panasonic-denko.co.jp/ac/e/fasys/warranty

Products	Series	Part Numbers	Remarks
